

News from the hunting committee
April 25, 2022

Randy Capsel has stepped down as chair. We thank him for many years of overseeing the hunting committee. Anyone that would like to be a part of the hunting committee can contact me at pullian@bellsouth.net. We would love to have some more members take part.

We held hunt test with wd/wdx test September 25 & 26, 2021 in Tebbetts Missouri. Judges were Danelle Oliver and Tim Ripperger. 18 dogs ran Sat and 17 for Sun with 2 Boykins and 5 English Springers participating in the WD/WDX. Our hunt test entry included English Springers, English Cocker, Boykins, Labs and Poodles. We awarded 5 master hunter legs, 6 senior legs and 14 junior legs. The two Boykins earned WD's. One springer earned a WDX while the other four earned WD titles.

We are planning on holding a hunt test/wd/wdx test August 27 & 28 in Tebbetts right before the Springer Bench National begins. We are looking for volunteers and hope to see a lot of springer folks in the field!

Cathy Pullian
